

EASTER EGG YARN THREADING

Get threading ribbon, yarn and wool to create recycled Easter egg decorations.

WHAT YOU NEED TO GET STARTED

- Pencil or pen
- Cardboard
- Hole punch
- Scissors
- Yarn, knitting wool, ribbon or string
- Optional – Beads

STEPS TO GET CRACKING

1. Draw an egg shape on the cardboard.
2. Use scissors to cut around the egg shape.
3. Using the hole punch, make lots of holes in the egg shape.
4. Give the egg and a long string of yarn to your child. If they are older, you can add beads to the yarn.
5. Let your child design their own patterns by threading the yarn through different holes and adding beads as they go.
6. Optional – If you have older children that would like to do this activity, include them in preparing the egg.

OPTIONAL

Create a bunny, flower or carrot design.
